BRIEF ABSTRACT OF LETTER

Recommends that in consideration of the services that were and are still being rendered by Mr T Denham, Professor of History in the Maharaja's College, to the Students' Home of the College, he may be allowed to occupy rent-free the Govt Building that is at present in his occupation

advice and supervision In consideration of the services that were rendered by him for the last seven years and which are still being rendered, the Inspector General of Education recommends that his request to allow him to occupy rent-free the Govt-Building which is at present occupied by him may be granted. It is stated that the professor who supervises the Victoria Hostel at Madras is given a furnished house free of rent — Such recommendations are becoming frequent If this concession be granted to Mr Denham because 4/4/05 he happens to be the President of the Committee of the Maha Rajahs College Students' Home it would create an inconvenient precedent, as the Presidents of other School Committees might claim similar concession and other officers of Govt such as Professors &c who have rendered longer service than Mr Denham might even ask for free quarters
